ANNOUNCEMENTS

WELCOME BACK MAESTRA JACQUELINE! – Música en Español classes, the Monday after school chorus (there's still room available!) and the Family Singing Circle (Friday mornings) are launching their second semester this week. Maestra was able to spend some time in her native Chile over the holidays and enjoy some summer weather!

THEATER INFORMANCES BEGIN NEXT WEEK – The informance for Seaside Preschool will be Tuesday, February 5 in Room 107. TK students will present on Thursday at 1:00 p.m in Room 107. We hope you can find a way to join us and celebrate what your children have been learning with Maestra Martha in their Theater Classes (in Spanish).

VALENTINES DANCE AND DINNER – Join us as we celebrate the diversity in our community with raffles, delicious food, games, and dancing on Friday, February 8 from 5:30-8:30 pm. 5th grade parents are offering a delicious array of food (Pozole, Chicken Tinga, Venezuelan Empandadas, California Rolls and Veggie Sushi). Come celebrate!

PROGRESS REPORTS COME HOME ON FRIDAY, FEBRUARY 8 – These mid-year reports will let you know about the progress your child is making toward year-end standards. If progress is slower than expected, contact your child's teacher for suggestions on how to help and/or to develop an academic improvement plan. Our goal is for ALL students to meet standards!

FROM THE PRINCIPAL'S DESK:
CELL PHONES AND SMART WATCHES AT SCHOOL

We have seen a slew of smart phones and smart watches at school in January and they are a problem! **We remind you that Board Policy does not permit elementary school children to bring mobile phones or signaling devices to school**. We enforce the policy and you may need to come and pick up a device if we spot it and it's out and on during the school day.

Smart Phones and Smart Watches are devices that are more than a simple phone or watch. They provide access to the internet, take photos or video, send and receive texts, and are often loaded with game apps. They are generally quite expensive and break easily when dropped on concrete or blacktop. But even the basic flip phone with no internet access is not allowed at elementary school.

These devices but can be very disruptive in class, often distract children from learning and physical activity in favor of trying to sneak in game or video time, and can give children unsupervised access to the Internet. They can also go missing – as we don't have secure lockers where kids can store them while they move about the campus, go to lunch, recess, PE, etc.

Here are a few actual examples of how disruptive these devices can be**.** A student's watch goes off in the middle of a lesson in class. Everything grinds to a halt and all eyes are on this student – whose parent has texted to ask how their day is going. Several students are huddled in a corner of the yard around a device, trying to avoid staff attention and not playing at recess because they're trying to play Fortnight or watch some cool video. Instead of paying attention in class, two students are trying to text each other under the table (the modern version of passing notes!). A child pulls out her phone and plays a favorite game each time her teacher's back is turned. She's missed valuable learning time -- but she's great at Candy Crush! A child takes a device into the restroom and tries to take pictures of another student under the bathroom stall. An expensive device disappears from a child's untended backpack. Child takes a device into the restroom and accidentally drops it in the toilet.

We really want teachers to be able to focus their time on teaching and learning – not on trying to police devices that should not be on campus. **If you believe that there is a safety reason why your child should be allowed to have such a device on campus** (coordinating between two households, a frequently changing pick-up schedule, etc.) **then come to the office and ask for a waiver**. Write your rationale on the necessity for the device and sign the application. Please note that the school assumes absolutely no responsibility for these devices when they are on campus – with or without a waiver. Also, if a waiver is approved, the device must stay a child's backpack the entire school day and may not be turned on during school hours. If these devices are turned on and if they are out during the school day, your child will lose the right to bring the device – even if we previously signed a waiver. Please help us keep the focus on learning!

ANUNCIOS

¡Bienvenida de Nuevo, Maestra Jacqueline!– las clases de Música en Español, el coro de los lunes después de clases (¡todavía hay espacio!) y el Circulo de Canto Familiar (viernes por la mañana) están lanzando su segundo semestre esta semana. ¡Maestra pudo pasar algo de tiempo en su Chile nativo durante las vacaciones y disfrutar clima de verano!

Presentaciones Informativas de Teatro Comienzan la Próxima Semana –Las presentaciones informativas se llevarán a cabo para Preescolar Seaside el martes, 5 de febrero en el salón 107. Los estudiantes de TK presentarán el jueves a la 1:00 p.m. en el salón 107. Esperamos que encuentren una manera de acompañarnos y celebrar lo que sus niños han estado aprendiendo con Maestra Martha en sus Clases de Teatro (en español).

Baile y Cena de San Valentín – Acompáñenos mientras celebramos la diversidad en nuestra comunidad con rifas, comida deliciosa, juegos y baile el viernes, 8 de febrero de 5:30-8:30 pm. Los padres de 5º grado están ofreciendo una variedad deliciosa de comida (Pozole, Tinga de Pollo, Empanadas venezolanas, Rollos de California y Sushi Vegetariano). ¡Vengan a celebrar!

Reportes de Progreso Se Mandan a Los Hogares el Viernes, 8 de febrero – estos reportes de medio año les avisarán sobre el progreso que su hijo/a está haciendo hacia las normas del fin de año. Si el progreso va más lento de lo esperado, comuníquense con el maestro/a de su hijo/a para sugerencias sobre cómo ayudar y/o para crear un plan académico de mejoramiento. ¡Nuestra meta es que TODOS los estudiantes cumplan todas las normas!

DEL ESCRITORIO DE LA DIRECTORA:
CELULARES Y RELOJES INTELIGENTES EN LA ESCUELA

¡Hemos visto montones de teléfonos inteligentes y relojes inteligentes en la escuela en enero y son un problema! **Queremos recordarles que la Póliza de la Mesa Directiva no permite que los estudiantes de escuelas primarias traigan teléfonos móviles ni dispositivos señaladores a la escuela.** Reforzamos la póliza y tal vez ustedes tendrán que venir a recoger cualquier aparato si lo miramos y lo han sacado durante el día escolar.

Teléfonos inteligentes y relojes inteligentes son aparatos que son más que un simple teléfono o reloj. Proveen acceso al internet, toman fotos o video, mandan y reciben textos, y frecuentemente están llenos de juegos. Generalmente son muy caros y se rompen fácilmente cuando se caen en el concreto o el pavimento. Pero hasta el teléfono básico que no tiene acceso al internet no es permitido en escuela primaria.

Estos aparatos pueden ser muy disruptivos en la clase, seguido distraen a los niños de aprender y actividad física a favor de tratar de aprovechar algo de tiempo con el video juego, y les puede dar acceso no supervisado al internet. También se pueden perder – como no tenemos casilleros seguros donde los niños los pueden guardar mientras se mueven a través de la escuela, ir al almuerzo, recreo, educación física, etc.

Aquí hay algunos ejemplos actuales de lo disruptivos que pueden ser estos aparatos. El reloj de un estudiante es activado en medio de una lección en clase. Todo se pone en alto y todas las miradas se ponen en el estudiante – el que sus padres le han mandado un texto para preguntar cómo va su día. Varios estudiantes se amontonan en un rincón del patio alrededor de un aparato, tratando de evitar la atención del personal y no jugando en el recreo porque están tratando de jugar Fortnight o mirar algún video suave. En vez de poner atención en la clase, dos estudiantes se están mandando textos el uno al otro debajo de la mesa (¡la versión moderna de pasar notas!). Una niña saca su teléfono y juega su juego favorito cada vez que el maestro/a le da la espalda. ¡Ella pierde tiempo valioso de aprendizaje – pero es muy buena en Candy Crush! Un estudiante lleva un aparato al baño y trata de tomar fotos de otro estudiante por debajo de la puerta del baño. Un aparato caro se desaparece de la mochila desatendida de un estudiante. Un estudiante lleva un aparato al baño y accidentalmente se le cae a la taza del baño.

Realmente queremos que los maestros se puedan enfocar en su tiempo enseñando y aprendiendo – no tratando de ser policías de aparatos que no deben estar en la escuela. **Si ustedes creen que hay alguna razón de seguridad por la cual su hijo/a deber tener permiso de tener tal aparato en la escuela** (coordinar entre dos hogares, horario para recoger que cambia frecuentemente, etc.) **Entonces vengan a la oficina y pidan un permiso.** Escriba su razón sobre la necesidad para este aparato y firme la solicitud. Por favor noten que la escuela no acepta ninguna responsabilidad por los aparatos cuando están en la escuela – con o sin permiso. También, si el permiso es aprobado, el aparato debe quedarse en la mochila del estudiante durante todo el día escolar y no puede ser prendido durante las horas de clases. Si el aparato se prende y si lo sacan durante el día escolar, su hijo/a perderá el derecho de traer el aparato – aunque anteriormente hemos firmado el permiso. ¡Por favor ayúdenos a mantener el enfoque en el aprendizaje!

TEST FOLLOW UP

Dear Edison Parents,

Last week the PTA **conducted a test on our My School Anywhere site**. You were supposed to simply reply to an email you received from edison.pta.communications@gmail.com under the subject line "Edison PTA MSA test/Prueba de Edison PTA MSA". We advised you to check in your Junk mail if you couldn't see the email In your Inbox.

If we haven't received your reply by now we are assuming that you are not receiving the communications we sent via MSA for one of two reasons:

1) We have an incorrect email address for your account, or;
2) Even though you have been granted access to MSA in the past, you never finished setting up your account; therefore, our emails are not going into your Inbox.

The next step for us will be to re-send a confirmation email to all the email accounts we never got a reply from. So please look up for a new confirmation email from edison.pta.communications@gmail.com under the subject line "Edison Language Academy PTA Directory and Store - Directorio y Tienda de la PTA de la Academia de Idiomas Edison". Again, we advise you to look into your Junk Mail Box if you don't see this email in your Inbox. **Simply follow the instructions on the confirmation email and your account will be ready to go.**

If you don't receive this new confirmation email, **it might be possible that we have the wrong email address for your account**, so please contact our MSA Administrator directly with your correct email address at edison.pta.communications@gmail.com.

NOTE: If you received our first test email, Congratulations! Your account is set and you don't need to take any further steps!

Thanks as always for your support,

The Edison PTA Communications Team

RESULTADOS DE LA PRUEBA DE

MySchoolAnywhere

Queridos padres y madres de Edison,

La semana pasada ***la PTA llevó a cabo una prueba de nuestro sitio web My School Anywhere****, en la cual se le pedía que simplemente respondiera a un correo electrónico que recibió de edison.pta.communications@gmail.com bajo el título "Edison PTA MSA test/Prueba de Edison PTA MSA". También le aconsejamos buscar en su Bandeja de Correos no deseados en caso de que no viera el mensaje directamente en su Buzón de Entrada.*

Si aún no hemos recibido su respuesta*, tenemos que asumir que Ud. no está recibiendo nuestras comunicaciones por MSA por una de dos razones:*

1) *No tenemos la dirección de correo electrónico correcta, o;*
2) *Aún cuando ya se le había dado acceso a MSA, nunca terminó de configurar su cuenta, por lo cual nuestros correos no están llegando a su buzón de entrada.*

El siguiente paso para nosotros será re-enviar un correo de confirmación a todas las cuentas de las que nunca recibimos respuesta. *Así que por favor busque el nuevo correo de confirmación de edison.pta.communications@gmail.com bajo el título "Edison Language Academy PTA Directory and Store - Directorio y Tienda de la PTA de la Academia de Idiomas Edison". Nuevamente le recomendamos buscar en su Bandeja de Correos No Deseados si no encuentra el correo directamente en su Buzón de Entrada.* ***Simplemente siga las instrucciones en el correo de confirmación y su cuenta estará lista.***

Si Ud. no recibe el nuevo email de confirmación, es posible que tengamos la dirección de correo electrónico equivocada en su cuenta, en cuyo caso le pedimos que por favor contacte directamente a nuestra Administradora de MSA al edison.pta.communications@gmail.com con la dirección correcta.

NOTA: *Si Ud. recibió el correo de prueba que enviamos la semana pasada, ¡felicitaciones! ¡Su cuenta está funcionando y no necesita hacer nada más!*

Gracias como siempre por su apoyo,

El Equipo de Comunicaciones de la PTA de Edison

2. We need volunteers to help man our first aid booth. If you are a nurse or doctor or are a first aid guru, please email Edison.pta.special.events@gmail.com or sign up on the board near Cafecito.
3. Please make sure you check in with your classroom reps regarding what to bring for your Loteria Basket. We will need everything in by Monday February 4thso we have time to put the baskets together.

- A ½ cup of mandarins is an excellent source of vitamin C and a good source of vitamin A.
- Look for Mandarins with glossy, deep orange skins. Keep on the counter and use within a few days or store in the refrigerator for up to one week.
