ANNOUNCEMENTS

Parent Education Workshops: Helping Children with Math in Grades 3-4-5. Tuesday morning, November 10, 2015 – 8:30 - 10:00 am – Room 100 or Tuesday evening, November 10, 2015 from 6:30 - 8:00 p.m. Edison 5th grade teacher and math coach Constanza Murcia will be offering a workshop for Edison parents with some candid discussion and hands-on examples of how to reinforce and strengthen children's number sense in addressing the four basic math operations (addition, subtraction, multiplication and division). Sign up quickly for the workshop of your choice - space is limited.

Site Council Elections –Ballots with the names of Site Council Parent Nominees are going home Thursday, November 5 and are due back to the Edison office by Friday, November 20. At 3:00 p.m.

Volunteers Needed: We still need you! If you'd like to help make Tamales (instructions included!) come in on Thursday 11/5 or Friday 11/6 afterschool. Want to help decorate your classroom altar? Come on Friday, 11/6. Want to pitch in on the day of the festival? Please sign up on the PTA bulletin board in the breezeway and/or on your grade level bulletin board.

Appropriate Shoes and Clothes for Physical Education – Too many of our female students are NOT dressing safely for PE and recess. They cannot play safely and participate fully when they are in slip-on shoes or sandals. I am asking for your help to make sure that your daughters come to school every day in shoes and clothes that allow them to safely and fully participate in physical activities. You'll recall our dress code from the Parent Handbook -- "Students should wear clothing appropriate for school that allows them to move, climb, run, and stretch safely. Shoes must have rubber soles, laces, straps or buckles and protect toes and heels." Through play and physical education are so important for children—developing coordination, building small and large motor skills, growing their aerobic capacity, and building active healthy habits . Children who repeatedly do not wear safe shoes risk a lowered grade for participation. If you are having challenges providing safe footwear for your daughter(s) please let our Community Liaison Yoly know and she will try to help you find affordable and safe shoes. Please send your child to school in sturdy, rubber soled shoes that have laces, buckles, or Velcro fasteners. We all thank you for making sure that ALL OUR STUDENTS can participate fully in physical activities!

FROM THE PRINCIPAL'S DESK: MAKING SURE ALL STUDENTS MEET LITERACY STANDARDS

One of the ways that SMMUSD is ensuring that the needs of all our students are met is by using a universal screening instrument. All elementary students participated in one or more assessments that are part of the Formative Assessment System for Teachers (referred to as FASTbridge). FASTbridge is periodically used to help teachers determine if your child is on-track for academic success in reading. The results help teachers better understand your child's learning needs, determine how to better meet those needs, and measure your child's progress within and across school years.

Your child's teacher has reviewed the results of the FASTbridge screening and other site assessment measures with Edison's Literacy Coach Aileen Salmaggi to establish strategies to improve their literacy skills. The results of these assessments give teachers further insight into your child's needs, can help them match students to high interest and appropriately leveled books, and indicate whether or not your child might need extra or different kinds of reading instruction. Edison's literacy team of Coach Aileen Salmaggi, Intervention Teachers John Ellis (Spanish reading grades 1 and 2), Elizabeth Ipiña (English literacy grades 2 and 3) and Kortney Watring (English literacy grades 4 and 5) work together with the principal and teachers to monitor performance, differentiate classroom instruction and provide supplemental instruction for children working significantly below grade level. Your child's teacher will discuss the results of some of these assessments with you at the Parent-Teacher conference and work with you to develop an intervention plan if your child needs a boost in literacy development to meet standards.

ANUNCIOS

Talleres de Educación para Padres–Ayudando a los Niños con Matemáticas en los Grados 3-4-5. El martes, 10 de noviembre, 2015 – 8:30 – 10:00 am en el salón 100 o el martes 10 de noviembre, 2015 de 6:30 – 8:00 p.m. La Maestra de 5º grado de Edison y Entrenadora de Matemáticas Constanza Murcia estará ofreciendo un taller para padres de Edison con discusión cándida y ejemplos manuales de cómo reforzar y fortalecer el sentido de números de los niños y dirigir las cuatro operaciones básicas de matemáticas (sumas, restos, multiplicación y división). **Elijan el taller que quede mejor con su horario, pero apúntense rápido porque el espacio es limitado.**

Elecciones del Concilio Escolar – Las boletas con los nombres de los Padres Nominados al Concilio Escolar se mandarán a los hogares el jueves, 5 de noviembre y deben ser entregadas a la oficina de Edison a más tardar el 20 de noviembre.

Se Necesitan Voluntarios– ¡Todavía los necesitamos! Si les gustaría hacer tamales (¡instrucciones incluidas!) vengan el jueves 11/5 o el viernes 11/6 después de clases. ¿Quieren decorar el altar de su salón? Vengan el 11/6. ¿Quieren cooperar el día del festival? Por favor apúntense en el boletín de la PTA en el pasillo y/o en el boletín de su nivel de grado.

Nominaciones del Concilio Escolar – Las Nominaciones deben ser entregadas a la oficina de Edison a más tardar el 30 de octubre.

Zapatos y Ropa Apropiada para Educación Física – Muchas estudiantes niñas NO se están vistiendo seguramente para Educación Física y recreo. No pueden jugar segura y participar completamente cuando traen zapatillas o sandalias. Les pido su ayuda en asegurar que sus hijas vengan a la escuela todos los días en zapatos y ropa que les permita participar seguramente y completamente en actividades físicas. Recordarán nuestro código de vestuario de nuestro Manual de Padres – "Los estudiantes deben usar ropa apropiada para la escuela que les permite moverse, escalar, correr y estirarse seguramente. Los zapatos deben tener suelas de hule, cintas, correas o hebillas y proteger los dedos y talones." Por medio de juego y educación física son tan importantes para los niños – desarrollando coordinación, creando habilidades motrices pequeñas y grandes, aumentando su capacidad aeróbica, y creando hábitos activos saludables. Los niños quienes repetidamente no usan zapatos seguros arriesgan una calificación más baja por participación. Si ustedes tienen retos proveyendo zapatos seguros para sus hijas por favor avísenle a nuestra Comunitaria Yoly y ella tratará de ayudarles a encontrar zapatos seguros a precios razonables. Por favor manden a su hijo/a a la escuela en zapatos estables, con suelas de hule que tengan cintas, hebillas, o sujetadores de velcro. ¡Todos les damos las gracias por asegurar que TODOS NUESTROS ESTUDIANTES puedan participar completamente en actividades físicas!

DEL ESCRITORIO DE LA DIRECTORA:
ASEGURÁNDONOS QUE TODOS LOS ESTUDIANTES CUMPLAN NORMAS DE ALFABETISMO

Una de las maneras en las cuales SMMUSD está asegurando que las necesidades de todos nuestros estudiantes sean cumplidas es usando un instrumente de evaluación universal. Todos los estudiantes de primaria participaron en uno o más asesoramientos que son parte del Sistema de Asesoramiento Formativo para Maestros (referido como FASTbridge). FASTbridge es periódicamente usado para ayudar a los maestros determinar si su hijo/a esté en el camino para el éxito académico en lectura. Los resultados ayudan a los maestros a comprender mejor las necesidades de aprendizaje de su hijo/a, determinar cómo mejor cumplir con esas necesidades, y medir el progreso de su hijo/a dentro y a través de los años escolares.

El maestro/a ha revisado los resultados de la evaluación de FASTbridge y otras medidas de asesoramientos con la Entrenadora de Alfabetismo de Edison Aileen Salmaggi para establecer estrategias para mejorar sus habilidades de alfabetismo. Los resultados de estos asesoramientos les dan a los maestros más informes sobre las necesidades de su hijo/a, pueden coordinar a los estudiantes a intereses altos y libros anivelados apropiadamente, e indicar si su hijo/a pueda necesitar instrucción extra o diferentes tipos de instrucción de lectura. El equipo de alfabetismo de Edison de Entrenadora Aileen Salmaggi, Maestros de Intervención John Ellis (Lectura en español en grados 1 y 2), Elizabeth Ipiña (Alfabetismo en inglés grados 2 y 3) y Kortney Watring (Alfabetismo en inglés grados 4 y 5) trabajan juntos con la directora y los maestros para monitorear el rendimiento, diferenciar la instrucción en el salón y proveer instrucción suplementar para los niños quienes estén trabajando significantemente debajo del nivel de grado. El maestro/a de su hijo/a discutirá los resultados de estos asesoramientos con ustedes en la conferencia de Padres – Maestros y trabajará con ustedes para crear un plan de intervención si su hijo/a necesita un empujoncito en el desarrollo de alfabetismo para cumplir con las normas.

The SEA (Successful Educational Achievement) Program of the nonprofit charity Emily Shane Foundation supports middle school students who are failing/struggling academically, socially, etc. and are otherwise unable to afford the intensive, individual help this mentoring/tutoring program provides.

We match each student with a mentor/tutor. They engage in twice weekly, one hour sessions, often deriving remarkable results. Their only "cost" is to perform a good deed or act of kindness for every mentoring session. Students across Los Angeles are benefitting, including several in our Malibu community.

As we are a not for profit organization, we rely on donations, grants and fundraising events to make this amazing program possible.

We will be releasing 1000 beautiful, native butterflies at Bluffs Park on Sunday, November 22 at 2 pm. Our goal is to have every butterfly sponsored prior to the release. You have the opportunity to sponsor one or more butterflies for $10 each, which is approximately equivalent to one hour of mentoring for a student. As we approach the Thanksgiving holiday, this is a very meaningful way to honor a mentor in your life , or someone who has helped you or in any way made a positive difference for you personally.

We would be deeply grateful if this information could be shared with your families and it would be magnificent if you could help us reach our goal of having every single butterfly released in someone's honor.

We have attached the flyer with more information on it and there is a link, which will take your families to the donation page. You can also donate directly on the Foundation's website: emilyshane.org

Thank you very much for your support with this very special event. We hope you will join us to watch this "butterfly miracle"

1,000 Butterflies Campaign

:supporting the SEA (Successful Educational Achievement) Program of
The Emily Shane Foundation

As Thanksgiving approaches, sponsor one or more butterflies as a tribute to someone who has made a positive difference in your life. Each butterfly sponsorship is $10. All you need to do is click here or go to the following link: (www.gofundme.com/1000butterflies)
You can also participate on the Foundation's website:
www.emilyshane.org - and learn more about our SEA Program.

Our goal is for all 1000 butterflies to be sponsored prior to the release. which will take place on: Sunday, November 22 at 2 pm
Bluffs Park, Malibu
